Post Your Case Study/Solution to the FPA White Paper Library

Our white paper library is a great resource for financial advisors to access on a variety of topics impacting their practice. Promote your organization's expertise or unique business solution to over 24,000 financial advisors, financial planning professionals, educators and students.

To post your organization's white paper online, please provide the following information:

50 Word Abstract About Your Firm's White Paper:

5 Keywords for Search Functionality:

*NOTE: When submitting multiple white papers, please send separate applications for each white paper.

Conditions for Institutional Member white paper posting:

- Gold members may submit ten white papers annually. Silver members are eligible to submit five white papers annually.
- White papers are intended to be an educational resource for our members. All white paper submissions must undergo approval before online posting.
- If your firm's Institutional Membership should lapse, the white paper(s) will be removed from the White Paper Library.

Please send completed document and any additional materials to CorporateSales@onefpa.org
