FINANCIAL PLANNING ASSOCIATION
POLITICAL ACTION COMMITTEE
This is an exciting time to be a financial planning professional. Since the inception of the Financial Planning Association® (FPA®), our focus on advocacy has increased along with FPA’s voice on Capitol Hill. To enhance that effort, FPA-PAC was created as the federally registered political action committee of FPA. We are the only political action committee devoted to advancing the interests of the financial planning profession.

Our mission is to support candidates, primarily incumbents, regardless of political party, who have demonstrated previous support on financial planning issues or who could be supportive in the future.

Your contribution offers FPA an enhanced opportunity to represent the views of the profession before lawmakers who have tremendous influence on the financial services industry. All segments of this industry are vying for the attention of legislators to support their agendas.

It is essential that you, as a financial planning professional, be able to compete in the political arena to expand FPA’s voice on issues that affect your business and your clients. Through your voluntary contributions to FPA-PAC, you can help ensure that FPA will have a stronger voice in Washington, D.C., and across our nation.

### HOW DOES YOUR CONTRIBUTION MAKE A DIFFERENCE?

FPA-PAC allows you to maximize your personal contribution by combining it with hundreds of other FPA members who share an interest in the future of the financial planning profession.

None of FPA-PAC’s contributions may come from corporations, foreign nationals, or federal contractors, as prohibited by federal law.

Contributions to FPA-PAC are not deductible for federal income tax purposes. Contributions made by corporate check cannot be accepted; any corporate donations will be returned to exchange for a personal check. However, sole proprietorship contributions are accepted by FPA-PAC. Contributions from non-U.S. citizens are prohibited.

Please note that federal law requires political action committees to report the name, mailing address, occupation, and name of employer for each individual whose contributions aggregate in excess of $200 in a calendar year.

The Financial Planning Association is the owner of trademark and registration, service mark and collective membership mark rights in, and various U.S. registration/applications for: FPA, FPA/Logo and FINANCIAL PLANNING ASSOCIATION.
